## Tutoring Experience

Over the past seven years, I've had the privilege of working with a diverse group of students, helping them excel in TOK, Philosophy, Maths, and Religious Studies. My tutoring approach is student-centered, aiming to build confidence and deep understanding in each subject. I've guided many students through the TOK essay and presentations, ensuring they develop strong analytical and reflective skills. My experience includes working with students from various educational backgrounds, including those preparing for Oxbridge interviews. I also specialize in supporting students with their IB Internal Assessments and Extended Essays, focusing on refining their research and writing techniques. I believe in creating a supportive and encouraging learning environment where students feel empowered to ask questions and explore complex ideas.
